COMMUNICATION TO EXAMINER

Regarding the above-identified re-issue patent application, on August 16, 2004, Applicant submitted:

- the original ribbon copy of USPN 5,867,214 for Surrender; and
- the original executed supplemental declaration for reissue patent application.

And, as all conditions for allowance had thus been met, applicant respectfully requested a notice of allowance for this reissue application.

Enclosed are copies of the above items and of the accompanying August 16, 2004 Communication to Examiner and Transmittal Form.

On January 7, 2005, Examiner Wilson informed Applicant by telephone that the United States Patent and Trademark Office did not have the above-referenced August 16, 2004 submission.

According to Applicant's records, the United States Patent and Trademark Office received the submission on August 16, 2004. It was signed for by M. Boston on August 18, 2004. Please see attached copies of the returned postcard stamped "received" by the United States Patent and Trademark Office and of the United States Postal Service Express Mail No. EV380112032US Tracking Confirmation.

The
United
States
of
America

The Commissioner of
Patents and Trademarks

Has received an application for a patent for a new and useful invention. The title and description of the invention are enclosed. The requirements of law have been complied with, and it has been determined that a patent on the invention shall be granted under the law.

Therefore, this

United States Patent.

Grants to the person(s) having title to this patent the right to exclude others from making, using, offering for sale, or selling the invention throughout the United States of America or importing the invention into the United States of America for the term set forth below, subject to the payment of maintenance fees as provided by law.

If this application was filed prior to June 8, 1995, the term of this patent is the longer of seventeen years from the date of grant of this patent or twenty years from the earliest effective U.S. filing date of the application, subject to any statutory extension.

If this application was filed on or after June 8, 1995, the term of this patent is twenty years from the U.S. filing date, subject to any statutory extension. If the application contains a specific reference to an earlier filed application or applications under 35 U.S.C. 120, 121 or 365(c), the term of the patent is twenty years from the date on which the earliest application was filed, subject to any statutory extension.

J. Todd Johnson
